Robert Ross Whitley

OBJECTIVE

I aspire to work in a challenging environment where I can continue to build my skills as a Weather Forecaster or Operational Meteorologist as well as continue to study the earth's changing climate and analyze its affects on the environment.

EDUCATION

08/2013 – Present | University of NC at Asheville | Asheville, NC

- Working toward a Bachelor of Science, Meteorology
- Graduation, May 2016

08/2009 – 05/2013 | Catawba College | Salisbury, NC

- Bachelor of Arts, Communications
- Graduated, May 2013
- Four Year Scholarship, Baseball and Academic
- Four Year Student Athlete in Baseball while maintaining studies and GPA

INTERNSHIPS

05/2015 – 08/2015 | Time Warner Cable | Charlotte, NC

Broadcast Meteorology Intern

- Developed original content, documented databases and tracked performance to provide information for evaluation and/or analysis. Prepared broadcast reports as well as studying and interpreting various graphs on all weather related information and storm reports. Began working toward the area of broadcast meteorology in front of the green screen and performed various duties for the overnight Meteorologist at the beginning of the term and the Chief Meteorologist at the end of the term.

03/2013 – 05/2013 | WSAT 1280 Radio | Salisbury, NC

Student Intern

- Interviewed student athletes for radio broadcasts spots through the day including pre-recorded interviews as well as live broadcasts

EMPLOYMENT

12/2015 – Present | UNC Asheville | Asheville, NC

Student Media Communications Athletics Assistant

- Assist in the production of live games on the Big South Network and other video projects. Duties include videotaping, playback, and providing color on Audio Broadcast for select Bulldog athletic events as assigned.

12/2010 – Present | Self-Employed | Mooresville, NC

Pitching Instructor

- Work individually with youth baseball players, ages 10 to 16, to develop strong pitching skills

EMPLOYMENT CONTINUED

06/2008 – Present | Whitley Construction LLC | Mooresville, NC

Foreman

- Miscellaneous construction duties including pick up and deliveries, cleaning new construction, waterproofing foundations, and other various jobs
